RICHARD WILLIAMS
PRINCIPAL

TO THE GRADUATING CLASS OF 1993,

As you close this chapter in your life and begin your journey to new and wonderful experiences, it is my desire that your reflections on your tarry, here at Weequahic, be positive.

It is further my desire that you embrace every opportunity that comes before you with the zest and zeal of a Weequahic Indian. As you venture forward, holdfast to the theme of your class: "There's a dream out there with your name on it."

Press on towards your mark, your place in the world, knowing that mark will be etched in the history of man. Congratulations in all you have accomplished and much success in all you will accomplish.

Sincerely,

Richard Williams, Principal

FROM THE DESK OF

NORMA FAIR BROWN
VICE-PRINCIPAL WEEQUAHIC HIGH SCHOOL
279 CHANCELLOR AVENUE NEWARK, NEW JERSEY 07112

GRADUATES OF 1993:

As you leave this institute of education you leave to enter a world of change. Change in the leadership of our country, change in other countries, change in our communities and schools.

I urge you to go forth as 'agents' of change. Agents who will remember and perpetuate the legacy given you by your African and Spanish ancestors. Agents who will continue to study and learn in order to improve yourselves and your fellow man, and who will make contributions to all aspects of life. Agents who will endeavor to seek change in your personal lives, taking care of the 'temple' that houses your body and your mind, preparing it always for the future.

Become agents who will endeavor to change the lives of those around you. Become agents who will do your part to help improve your community. Become agents who will help to make this world a better place.

I believe in you, because I also believe in a 'place called Hope.'

God bless you all.

Norma Fair Brown

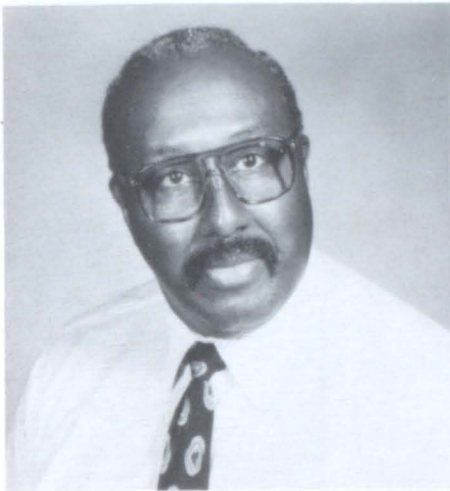

CONGRATULATIONS TO THE CLASS OF '93

Good Luck to you as you meet the challenges in the 21st century.

Sincerely,
Edna Bailey
Vice Principal

CONGRATULATIONS CLASS OF '93

Graduates,

"You" must proceed in life as if there are no limits to your abilities. Appreciate the fruits of hard work. Look at problems as opportunities and seek excellence at all times.

Always,
Charles Edwards
Vice Principal

MESSAGE TO THE CLASS OF 1993

You are on the threshold of independence and adulthood. As you proceed with your post-high school plans, I hope you will reflect upon your years at Weequahic High School as having helped you reach your goals. You have worked very hard to earn your high school diploma; and I wish you success in all your endeavors. Continue to work diligently, enjoy each day and set positive goals for yourself. Congratulations!

Sincerely,
Jill Watkins
Vice Principal

Department Chairpersons

On behalf of the members of the Weequahic High School Science Department, I would like to extend our sincere congratulations to the Class of 1993, with our best wishes for success and happiness. We wish you peace.

Bruce Bennett
Department Chairperson

Congratulations and best wishes for a successful future. Follow your dreams, be strong in your convictions and be willing to accept your responsibilities. Journey into life with confidence and determination. Good Luck!

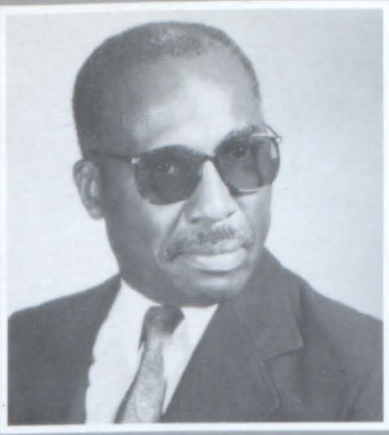

Fred Moscatiello
Basic Skills Chairperson

Congratulations and best wishes to the Class of 1993. The Health and Physical Education Dept. hopes that every graduate will be ready to assume their role in society. Our goal in both Health and Physical Education classes is to give the greatest possible development to a student's physical powers, habits and character. We try to develop an awareness and experiences which will promote characteristics of good sportsmanship, honesty and co-operation. We try to provide a variety of seasoned and life-long activities that will contribute to the way of every day living. Good Luck to you.

To the Class of 1993:

As long as you think you are beaten - you are. During the course of the past 4 years, we have toiled and struggled together - and you survived! You showed promise, character and courage with a will to succeed. These are the traits needed to survive in today's environment and the year 2001. Therefore you have earned the right to be called CHAMPS: C-CHARACTER; H-HEART; A-ATTITUDE; M-MORALS; P-PERSISTENCE.

The Music, Fine Arts and Foreign Language Departments extend best wishes to the Class of 1993. Your determination, and hard work made it possible for you to be where you are today: on the threshold of a new beginning. Please remember that your education does not stop after graduation. Always be open minded for a new topic. Never pass up the chance for a brighter future through higher education. Remember to continue to set positive goals and to do what you must do to achieve your goals. Remember your Alma Mater: Weequahic. Be a positive force in our community: there are children younger than yourself who are watching you because they are in need of positive role models. Keep on keepin' on, and remember, there are people here who are proud of you, and who love you.

We salute and congratulate you. Our best wishes are with you always.

Sincerely,

William Phipps
Department Chairperson

GRADUATES!

The decade of the 1900's will bring continued and accelerated structural changes in the U.S. economy, labor force, and way of life, spurred on by new technologies. The Business Department's goal is to provide the students at Weequahic High School with those competencies required to compete in the job market and to assist interested students in attaining personal use skills in the areas of career education, consumer education, typewriting, bookkeeping, computer applications, keyboarding/word processing, office practice and business law.

I wish you continued success in your future and offer you eggceptional deals during business' wide offerings. Take advantage of them.

Fondly,

Hattie Turner
Department Chairperson

On behalf of the Guidance Department, I wish the Class of 1993 peace, good health, the completion of all of your goals and much success in the coming years.

The Guidance Department has worked hard to help all Seniors move in the right direction after graduation. It has been a very long four years, but you have made it! We wish you the very best and congratulate you on your accomplishments.

Sincerely,

Margaret Roberts
Department Chairperson

In all things remember that you are an individual and that you are the most important person to you. Also, it's not what you are called that is important, it is what you answer to. Best of luck to the Class of 1993. Loraine White

THE CLASS OF 1993 WISHES TO THANK THE ADMINISTRATION, FACULTY AND STAFF FOR SUPPORTING AND HELPING US REACH OUR GOALS. WE WOULD ALSO LIKE TO LEAVE BEHIND, FOR THE REMAINING STUDENTS AT WEEQUAHIC HIGH SCHOOL, THE FOLLOWING:

- ... a cleaner school!
- ... notes for teachers who are no joke!
- ... a BIG SUGGESTION not to cut any classes!
- ... hallways that are NOT used for fighting!
- ... all of our used books and fines for YOU to pay!
- ... a sense of self-worth!
- ... a realization that Weequahic is NOT a fashion show!
- ... all the lint from our lockers so that by the time the Freshmen reach their Senior year, there will be a new rug at the front door!
- ... a year's supply of toilet tissue and paper towels!
- ... a huge case of soap!
- ... to Mr. Williams: a megaphone that DOES NOT WORK!
- ... reflections on what it takes to be a Senior . . and all that comes with the package!
- ... ant-less lockers!
- ... the hope that they do the best that they can!
- ... an open lunch so that the students can go out to eat!
- ... a word of advice to keep it real!
- ... a refrigerator so students can bring their own lunch and sodas!
- ... a message that you cannot succeed unless you make an effort to do so!
- ... to desire to uphold the best Marching Band in New Jersey!
- ... gallons of paint to paint each classroom!
- ... a closer sense of being a family!
- ... new, clean boys and girls locker rooms in the gym, with working showers!
- ... more social events without the fighting!
- ... lunches without food fights!
- ... lunches with real food!
- ... Pizza Hut within our cafeterias!
- ... Good Luck to all underclassmen!
- ... our left-over credits to the Class of '94!

Last Will And Testament

- ... an eraser*mate pen so the underclassmen can complete their work without mistakes!
- ... Hashan Nix's basketball socks so the Class of '94 can soar to the door and be outta here!
- ... a No. 2 pencil for all the tests you'll have to take!
- ... all the tough teachers so the classes will know as you move up, things in life will not get any easier!
- ... to Ms. Findley, the school calendar so that she can schedule HER plays, first!
- ... we leave the Class of '94: Mrs. Stackhouse!
- ... a projection screen so they can see a movie without using the walls or the blackboards!
- ... a crime-less school!
- ... all our English notes!
- ... Peace and Joy!
- ... beautifully designed hallways, using good art students to draw real pictures in spaces provided . . . with Indian heads in each stairwell!
- ... a successful and safe school year!
- ... the keys to knowledge!
- ... a microwave oven in the cafe; for student use!
- ... the knowledge that everything good to you ain't always good for you!
- ... the common sense to have self-respect for themselves!
- ... music in the Senior Cafe during lunches; everyone else can look forward to being a Senior!
- ... positive role models!
- ... new paint and pictures for the north and south cafe; who wants to eat in a junk heap?!!
- ... for all females: style, softness, grace and the desire to see more ladies inside Weequahic!
- ... new carpet for the Libraty!
- ... Moochie's smile, Su's sophistication, Vanessa's stage abilities, Jermaine's quickness, Antonio's determination, Monique's sense of humor, Teonee's melodies, Chazz's giggles, Ernest's committment, Jason's ambition and all the best qualities from the rest of the Class of '93!
- ... we leave DaRon all new hoodies in the assorted colors of the rainbow!
- ... we leave the Teachers the Pot of Gold at the end of that rainbow!
- ... to Ms. Riley and Ms. Barcliff, a new set of nerves!
- ... a FUNCTIONING, OPEN SCHOOL STORE!

If Malcolm Were Alive Today - Shawniqua Goodman First Place

If Malcolm were alive today, it is possible that at least two basic things would be a reality: there would be a stronger unity among Blacks, and Blacks and Whites in America would be on the verge of brotherhood.

First, in order for Malcolm to be alive today, there could not have been a split in the Nation of Islam. It was the split between Malcolm X and the great Black nationalist Elijah Muhammed that made Malcolm more vulnerable to government agency interference. Tensions within the Muslim community, as well as government implications made the assassination of Malcolm X inevitable.

The Nation of Islam played an important role in the process of Black unification. They raised up young Black brothers from the alienation of prisons and the degradation of the streets. The Nation taught young sisters to respect their minds and bodies. Fornication, prostitution, and teenage pregnancy were greatly condemned and guarded against by teachers and chaperones. Under the teachings of the Nation of Islam, with Malcolm X as the chief spokesperson, Black youth, male and female, became more disciplined, responsible, and righteous. If Malcolm were alive today, there would be less crime and drugs in the Black communities of America.

Malcolm was a forceful orator and a powerful teacher. If Malcolm were alive, today he would be an elder among our Black leaders. We would have more Black leaders: businesspeople, congresspersons, and maybe even a Black president of the United States of America.

Secondly, if Malcolm were alive today, Blacks and Whites in America might be closer to the achievement of true brotherhood.

Malcolm was the consummate student. His love of reading began under the tutelage of Elijah Muhammed while Malcolm was still in prison. The dictionary was his primer. His comprehension, as well as his reading and writing skills, increased as he wrote every word and its meaning, from aardvark to zymosan. Malcolm continued the process of reading and learning through the rest of his life. It is my belief that through this process Malcolm would have found his African heritage and the Islam of Mecca even without his ousting from the Nation of Islam of Elijah Muhammad. With this new knowledge, there would have had to be a separation. However, it could have been an amicable one. The relationship between Elijah Muhammed and El Hajj Malik El Shabazz (as Malcolm was then renamed after his pilgrimage to Mecca) would have been mutually respectful, as was the relationship between Malcolm and Dr. Martin Luther King, Jr. . . America would have had another option as a route to brotherhood.

Before we, as Blacks, can find brotherhood with Whites in America, we must first be unified among ourselves. Malcolm X helped increase unity among Black Americans. El Hajj Malik El Shabazz gave us a greater insight into our heritage and a means to create a multicultural unity among all Americans regardless of color. If Malcolm were alive today, we as Americans would be able to function as a whole society, dealing with life on life's terms.

Hail Weequahic

Our challenge to the orange and brown
As orange and brown we sway
Undaunted our refrain is sung
Weequahic will win the fray.

All hail our steadfast Indian host.
of braver warriors none can boast
And we will fight to do or die,
And win for you. Our Weequahic High.

It's so hard, so hard to be a Weequahic
Indian. It's so hard, so hard to be a Weequahic Indian.

No one knows what tomorrow holds,
But we have to keep the faith alive.
It's so hard to do, when there are ups and downs.
Yet, Weequahic taught us to strive.

So, hail fond Weequahic
We pledge our faith and honor true
Your mighty name will loudly ring
To Weequahic High, praises we sing.

It's so hard, so hard to be a Weequahic Indian.
It's so hard, so hard to be a Weequahic Indian.

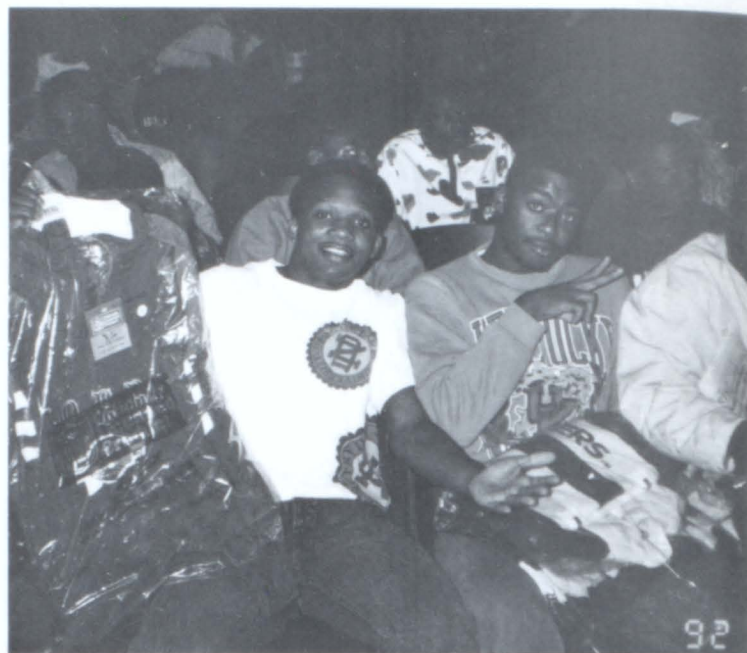

From our fortress on the hill,
Where we stand side by side.
We sing your praises with a will,

Activities are planned that foster personal growth and deal with issues relevant to their life in school, particularly female-on-female violence. The Weequahic Indians: Prove To Be The "Good, Bad, & Ugly".

This season the Weequahic Boys varsity basketball team has prove themselves to be a dominant force in the Iron Hills Conference. This Powerhouse team (The Good) is lead by senior guards Antonio Christian, and Hassan Nix both products of Carver Elementary. Towering at 6'5" at center is "Don't fake the funk with a nasty dunk" Cliff Cousar who plays at top form due to his mother's religious attendance at each and every game. Larry "Cookie" Davis is the clutch man starting at forward along with Terrell (Smooth) Uzell.

Coming off the bench with strong solid follow- ups and crashing the boards in Shaq-attack style is 6'4" junior Jamal Callaway.

And how about that fabulous freshman everyone's talking about . . . Mufee Thomas- showing solid potential for future seasons. Cleaning up at guard and forward positions respectively are Aleem "Mean Machine" Butler and Hakiem "Ice Cool" Holmes. It's hard not to mention that interchangeable line- up from the bench. Starting with that 5' 10" fiesty senior guard Chris "Crowd Pleaser" Williams, assisted by forward Tyrease Hunter. Exhibiting a high talent level for the three point shot and fierce defensive intensity is "Downtown" Terek Brown.

Every team is known for it's funny man, such as Weequahic's Kenny Ray Braswell.

Honorable mention goes to the Indian's J.V. squad A.K.A. Dallas Mavericks, headed by coach Kelvin (Bobby Knight) Harris. The outstanding players of this squad consist of Quadree Smith, Rahman (Funny) Rogers, Isacc Dewitt, Derrick Smith, Abdul Jordan, Rakiem Jennings, and last but not least "Big Bad Lonnie". When we look at the team we are reminded of the Dallas Mavericks, but in our hearts we lift them up as one of the most courageous teams that ever walked the hallowed halls of Weequahic. In conclusion we salute the Varsity and J.V. squad for a job well done.
